How To Use Your Mystery Word Starter Pack

These ready-to-use mystery words and phrases are designed to help you **get started and test Mystery Number Search Builder straight away.**

Choose one of the 15 themes, copy a few mystery answers from the matching list and paste them into the **Puzzle Book Builder.**

You can then experiment with different difficulty levels, generate your puzzles and see how the complete puzzle-making process works.

Use the pack to create quick test projects, experiment with different themes, or simply as inspiration when you're planning your own Mystery Number Search books.

Copy. Paste. Generate. And start discovering what you can create.
