Poster 2 — Not Another Prompt Builder

Not another prompt builder... this one actually BUILDS the puzzles! 🚀

Mystery Number Search Builder takes your mystery word or phrase and creates the number-search puzzle and decoding system for you.

Less time manually creating puzzles.

More time building your next puzzle book.

- ✅ Finished puzzle pages
- ✅ Multiple themes and possibilities
- ✅ Simple browser-based Builder
- ✅ Made for puzzle-book creators

Poster 3 — Your Next Puzzle Book Idea

Looking for your next puzzle book idea? 

Here's something a little different...

With **Mystery Number Search Builder**, you can create themed puzzle books where readers don't simply find numbers.

They use those numbers to **crack a code and reveal a hidden mystery!**

Think detectives, dinosaurs, secret agents, pirates, history, animals, space and much more.

Find → Decode → Reveal

See what's possible:

Poster 4 — Find, Decode, Reveal

 **FIND THE NUMBERS**

 **CRACK THE CODE**

 **REVEAL THE MYSTERY**

That's the idea behind **Mystery Number Search Builder**.

Turn hidden numbers into interactive mystery-solving puzzles and create finished pages for your own puzzle-book projects.

No need to manually build every puzzle from scratch.

Let the Builder do the hard work.

 **Launch Price: \$37**

Poster 5 — How It Works

Create Mystery Number Search puzzles in just a few simple steps. 🔥

- 1 Choose your settings and mystery.
- 2 Let Mystery Number Search Builder create the puzzle and decoding system.
- 3 Export your finished pages and start building your book.

No complicated puzzle-design software.

No manually constructing every number grid.

And definitely **not another prompt generator**.
