A Little Extra From Me...

I hope you're enjoying Mystery Number Search Builder.

As a little extra thank you for purchasing, I've put together **another 150 mystery words and phrases** covering all 15 built-in themes.

These are completely separate from your Mystery Word Starter Pack, giving you even more answers to experiment with as you create and test your puzzles.

Choose a theme, copy the mystery answers you want and paste them directly into the Puzzle Book Builder.

That's another 150 ideas to help keep you creating.

Enjoy!
