POST 1 — LAUNCH ANNOUNCEMENT

Wedding Planning PLR Starter Kit is LIVE! 🎉

Want to sell wedding planning digital products without creating everything from scratch?

For just **\$17**, get ready-to-edit:

- ✅ Wedding planning guides and workbooks
- ✅ Budget planners and checklists
- ✅ 7-day email sequence
- ✅ Social media graphics
- ✅ 3 Elementor sales funnel templates
- ✅ Private Label Rights to customise and sell finished products

Perfect for digital product creators and PLR sellers!

POST 2 — SAVE TIME CREATING 🕒

Stop starting every digital product from a blank page!

Researching, writing, designing and formatting digital products takes time.

The **Wedding Planning PLR Starter Kit** gives you a ready-made starting point.

🔗 Editable wedding planning resources

📋 Practical guides and checklists

🎨 Marketing graphics and templates

✉️ Ready-to-customise email content

💰 Just \$17 for the starter collection.

Customise the resources, add your branding and create finished products for your audience.

POST 3 — THE BUSINESS OPPORTUNITY

Looking for a new digital product niche?

Wedding planning offers plenty of practical problems that helpful digital products can address.

Think budgeting, guest organisation, planning timelines and avoiding common mistakes.

The **Wedding Planning PLR Starter Kit** includes editable resources covering these topics.

You can customise the materials and build your own branded products without writing every page from scratch.

- ✓ Guides
- ✓ Workbooks
- ✓ Checklists
- ✓ Marketing resources
- ✓ PLR licence included

Starter Kit: \$17

POST 4 — MORE THAN JUST A PDF

A PLR package should give you more than just something to read!

The Wedding Planning PLR Starter Kit includes resources you can actually work with.

-  Wedding planning guides
-  Budget and organisation workbooks
-  7-day email sequence
-  Social media graphics
-  3 Elementor sales funnel templates

And with the included PLR licence, you can customise, rebrand and sell finished end-user products.

It's a practical starting point for building your own wedding-themed digital product collection.

Available for \$17.

POST 5 — LAUNCH WEEK REMINDER 🚀

Have you seen the Wedding Planning PLR Starter Kit yet?

If you're a digital product creator or PLR seller looking to explore the wedding planning niche, this collection is worth checking out.

For \$17, you get editable wedding planning resources, workbooks, checklists and marketing materials.

Plus, there are optional upgrades available for wedding stationery, additional marketing content and reseller business resources.

Start with the kit, customise what you need and build products that suit your audience.
