FACEBOOK POST 2 — MULTIPLE PRODUCTS

🌸 One Wedding Niche. Multiple Digital Products.

Why start with just one ebook when you could have an entire collection of wedding planning resources?

Our Wedding Planning Starter Kit includes a complete guide, a wedding budget workbook, six individual planning checklists, a lead magnet and seven ready-to-customise emails.

Use the resources individually, combine them into your own offers or build a wedding planning funnel around them.

💍 Editable, rebrandable and created with PLR sellers in mind.

More details coming soon!

FACEBOOK POST 3 — SAVE TIME

💐 Imagine Skipping Weeks of Content Creation...

Researching, writing, formatting and designing digital products takes time.

That's exactly why we're creating the **Wedding Planning Starter Kit — PLR Bundle**.

Inside you'll find wedding planning guides, budget resources, printable countdown checklists and email content — all ready for you to customise.

No starting from a blank page. No creating every resource yourself.

Just a collection of editable wedding planning content you can make your own.

💕 Coming Soon — Complete Wedding Planning PLR Bundle!

FACEBOOK POST 4 — BUSINESS OPPORTUNITY

💍 Thinking About Entering the Wedding Planning Niche?

Wedding planning gives digital product creators plenty of opportunities to offer useful guides, worksheets, checklists and downloadable resources.

Our upcoming **Wedding Planning Starter Kit** brings those resources together in one PLR package.

📚 Complete planning guide
💰 Budget workbook
🎁 Lead magnet
☑ Six wedding countdown checklists
📧 7-day email sequence
✏ Editable PDF and Writer files

Rebrand the content and build your own wedding planning product collection.

🌷 Coming Soon!
